

MAXUS

EXPAND YOUR WORLD

MAXUS G10 EXECUTIVE
7-Seater Luxury MPV

DESIGN THAT IMPRESSES

Look sharp wherever you drive to.

From a distance, the 7-seater Maxus G10 Executive leaves a lasting first impression with its imposing profile styled by world-renowned Italian automotive design studio, Torino Design. Up close, its sleek lines and rear wind spoiler with third brake light draw you in to the attention to details.

HID HEADLAMPS

Auto levelling headlamps work together with LED Daytime Running Light to deliver excellent visibility throughout the day.

DISPLAY INFO FOR DRIVER

All the essential details you need in a convenient display.

KICK-ACTIVE POWER TAILGATE

Open the tailgate with just an easy tap of your foot when your hands are full. Available in Flagship variant.

PANORAMIC SKY VIEW ROOF

Allows natural light into the cabin to create a larger interior spaciousness for the comfort of all passengers. Available in Flagship variant.

LARGE BOOT SPACE

Easily stow up to six golf bags in the generous 2,500ℓ boot.

18-INCH ALLOY WHEEL

Stylish design mesmerises on the go. Available in Flagship variant.

COMFORT THAT DELIGHTS

Relax in your home away from home.

Be greeted by a sense of familiarity upon boarding and unwind as you would at home. On the road, enjoy a smooth drive with Electronic Stability Control, German-engineered Nivomat® suspension, and blind spot detection.

10-INCH MULTIMEDIA TOUCH SCREEN

Control the audio system and connect to Bluetooth from a touch screen located at the centre of the dashboard.

MULTI-FUNCTIONAL STEERING WHEEL

Set the speed or adjust the stereo volume without lifting your hands off the wheel.

PLUSH SEATS FOR 7 PASSENGERS

Comfortably seat up to seven passengers in a flexible seating arrangement.

3-PIN POWER OUTLET

Kick back and stay connected with 220V (150W) charging point.

REAR MOUNTED LED MONITOR

Be entertained on the road with 10-inch LED monitor. Available in Flagship variant.

CAPTAIN'S SEAT WITH LEG SUPPORT

Stretch out in maximum comfort with independent, adjustable captain's seats in the second row. Available in Flagship variant.

SAFETY THAT ASSURES

Drive and ride with peace of mind.

Safety remains the top priority for the Maxus G10 Executive from its design to realisation. It is now packed with features ranging from Electronic Stability Control with Roll Movement Intervention, to the ESP® safety system by Bosch, ensuring the safety of passengers and pedestrians alike.

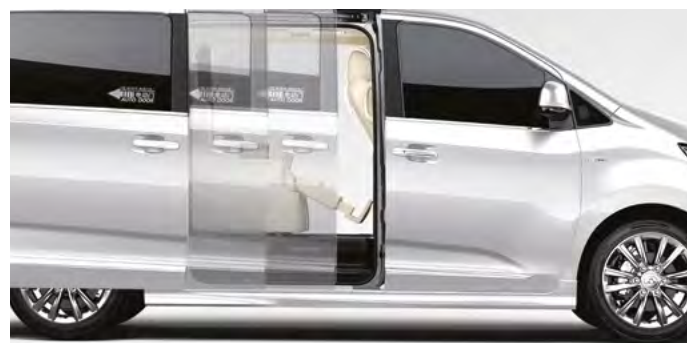

ANTI-TRAP DUAL AUTO SLIDING DOORS

Obstacles are immediately detected and prevented from being trapped by the door when it is closing.

LAYER WELDING TECHNOLOGY

Increased welding points strengthen the car frame and further reduce vibration for a more pleasant ride.

REVERSE CAMERA

Works together with parking sensors to get in and out of tight spots with ease.

ALL-ROUND VIEW MONITOR

Keep an eye on your surroundings with 360-degree parking camera system.

PERFORMANCE THAT DELIVERS

Polished agility within your grip.

Beneath the elegant exterior lies an advanced engine that powers the commanding Maxus G10 Executive.

2.0 TURBO-CHARGED ENGINE

The new generation engine features:

- Gasoline Direct Injection (GDI) and Double Variable Valve Timing (DVVT) produce engine output of up to 160kW of power and 330Nm of torque
- German-engineered 6-speed automatic transmission by ZF offers smooth and responsive drive

GLOBALLY SOURCED, TECHNOLOGICALLY ADVANCED

Assembled with parts from Fortune 500 suppliers around the world, and advanced production technology, the Maxus G10 Executive has achieved industry-leading safety, quality and reliability through:

- Standard test track to ensure high levels of vehicle performance
- Strict quality standards with ISO 9001 and ISO/TS 16949
- Strict material standards

TECHNOLOGY, TRUST AND AMBITION

The foundation Maxus is built upon and grows on.

SAIC Motor is one of the largest auto companies in China, with business operations spanning research, production and sales of passenger cars and commercial vehicles. A Global 500 company since 2008, SAIC Motor recently ranked 41 with an annual sales revenue of \$113 billion (USD) through its affiliated brands, including Maxus.

Currently sold in 41 countries, Maxus leverages on its European heritage and reputation to confidently deliver assurance to customers around the world. The brand continues to grow based on three core values:

Technology

is the motor of social development. Maxus aims to become an indispensable companion in both the customers' personal and professional lives.

Ambition

is the engine of sustainable development, and the key to maintaining a brand. Maxus continues to be keenly aware of market developments and sentiments to tirelessly expand, improve and innovate the brand.

Trust

is a form of affirmation, and the embodiment of strength. Maxus integrates global resources to create commercial vehicles to win the approval of the market and consumers.

CYCLE & CARRIAGE

THE CYCLE & CARRIAGE PROMISE
