

New Golf GTI.

Volkswagen

Technical data.

Golf GTI 2.0 TSI	
Engine	
Engine type	4-cylinder, TSI petrol engine with 16 valves, turbocharger
Capacity L / cc	2.0 / 1,984
Power PS / rpm	230 / 4,700 – 6,200
Torque Nm / rpm	350 / 1,500 – 4,600
Emission category	Euro 6
Gearbox	6-speed dual clutch automatic gearbox (DSG)
Performance	
Top speed km/h	248
Acceleration 0 – 100 km/h	6.4
Driven wheels	Front
Fuel consumption	
Urban L/100km	8.3
Extra-urban L/100km	5.5
Combined cycle L/100km	6.5
CO ₂ emissions g/km	151
Fuel capacity L	50
Exterior dimensions	
Length / width / height mm	4,268 / 1,799 / 1,482
Wheelbase mm	2,626
Track front / rear mm	1,550 / 1,521
Wheel size	7.5J x 18"
Tyre size	225 / 40 R18
Turning circle m	10.9

Leather-covered 3-spoke multi-function steering wheel with gearshift paddles

Illuminated stainless steel front scuff plates

Leather gearshift knob with aluminium trims

'Piano Black' decorative inserts for dashboard on driver's side and center console

'Honeycomb Black' decorative inserts for dashboard on front passenger side and door trim panels

'Discover Pro' navigation system with gesture control, 9.2" TFT touch screen display including CD/DVD player and 2 SD memory card slots

'Dynaudio Excite Surround' sound system, 8 speakers and a subwoofer

App-Connect smartphone connectivity, Bluetooth connectivity and Volkswagen Media Control

Voice control

Multimedia socket AUX-IN and USB interface

Keyless Entry and Start-stop system (KESSY) including 'Press & Drive' starting function

Start-stop system with regenerative braking

Glove compartment with cooling function

Illuminated vanity mirrors in sun visors

Floor mats in front and rear

Interior ambient lighting

2 LED reading lights in front and 2 in rear

12V power outlet

Golf GTI 2.0 TSI

Safety equipment

Airbags for driver and front passenger, including knee airbag on driver's side, with front passenger airbag deactivation

Curtain airbag system for front and rear passengers including side airbags at the front

Electronic Stabilisation Programme (ESP) including Anti-Slip Regulator (ASR)

Electronically controlled Anti-Lock Braking System (ABS) and brake assistant

Electronic Differential Lock (EDL) and Engine Drag Torque Control (EDTC)

Advanced Electronic Differential Lock (XDS)

Progressive steering

Dynamic Chassis Control (DCC) including driving profile selection with BlueMotion technology

Safety-optimised front and rear head restraints

3-point inertia front seat belts with height adjustment and seat belt pretensioner

3-point inertia rear seat belts

ISOFIX mounting points (provision for securing 2 child seats on rear bench seats)

Front and rear disc brakes

Electronic engine immobiliser

Brake pad wear indicator

Electronic parking brake with Auto Hold

'Park Assist' with 'Park Distance Control' in front and rear

Auto-dimming interior rearview mirror

Rear view camera

Blind Spot Sensor with Rear Traffic Alert

Proactive occupant protection system

'Rest Assist' fatigue detection system

Warning signal and light for unfastened front seat belts

Anti-theft alarm system with backup horn and towing protection

Rain sensor

Tyre pressure monitoring system

Space and weight saving steel spare wheel

Warning triangle

Highlights.

Powerful TSI engine

With a power output of 230 PS, the turbocharged TSI engine of the Golf GTI delivers a smooth and exciting driving performance in all driving conditions.

Dynamic Chassis Control

With the DCC system, damping forces are selectively applied to each of the four wheels to optimise vehicle dynamics, offering a comfortable ride no matter the surface.

LED headlights

LED headlights are more efficient and generate illumination that is similar to daylight. The LED daytime running lights and dynamic turn signals also have a distinctive signature.

Active Info Display

A fully digital instrument cluster presents data and information about the vehicle directly in the cockpit via the 12.3-inch high-resolution display.

Infotainment system with gesture control

Everything at your fingertips: the new Discover Pro infotainment system with its high-resolution 9.2-inch colour display features an extremely user-friendly interface and gesture control. What's more, rear seat passengers can now control the audio and navigation information via the Volkswagen Media Control smartphone app.

App-Connect

Three innovative technologies allow you to integrate selected smartphone apps onto your infotainment system's touchscreen: MirrorLink™, Android Auto™, and Apple CarPlay™.

Dynaudio Excite Surround

The Dynaudio Excite Surround system features 8 speakers and a subwoofer that have been perfectly matched to the geometry of the vehicle's interior.

Driving profile selection

The driving profile selector allows you to influence the drivetrain, steering and transmission of your Golf. That way, you can tune it to your personal driving style.

Safety.

Proactive occupant protection system

This system reacts just before an impending collision by priming the seat belts and brakes, as well as automatically closing the side windows and sunroof.

Blind Spot Sensor with Rear Traffic Alert

As you drive, the Blind Spot Sensor with Rear Traffic Alert warns you, within the limits of the system, about vehicles in your blind spot.

Aftersales.
