COROLLA ALTIS

THE LEGEND REDEFINED

The legend evolves.

THE COROLLA ALTIS.

11 GENERATIONS OF SUCCESS
1 ICONIC BADGE

THE LEGEND HAS EVOLVED.

The Corolla Altis. The world's best-selling car that has set the gold standards for reliability, bringing happiness to people around the world since 1966—selling over 40 million units to date.

Now in its 11th generation, the Corolla Altis has evolved yet again, to meet the needs of its drivers. Designed and developed with you in mind, the Corolla Altis is now more dynamic, assertive, and bolder than ever before.

The exterior now boasts a stylish front bumper design fashioned with updated grilles, as well as a new front headlamp cluster and rear LED combination lamps design. Inside, you'll be greeted by a dashboard architecture that comes with user-friendly features. Both modern and intuitive, the newly-refined interior is made with high-grade materials to exude true quality.

For an added peace of mind, we have also enhanced safety features like 7 SRS airbags. Even the driving experience have been enhanced to provide the optimum blend of comfort and agility. With an improved engine and new driver support features such as vehicle stability control, every trip will excite you, giving you the freedom to DriveHappy with nothing to worry about.

All these are in addition to the world-class technologies and the renowned qualities that are part of the Toyota DNA: QDR (quality, durability and reliability) class-leading fuel efficiency, uncompromised safety and outstanding value for money.

From peace of mind every time you get behind the wheel, to the assurance of best-in-class ownership, the Corolla Altis is everything you expect and more simply because it has evolved yet again to meet the needs of its drivers.

JOURNEY OF A LEGEND

THE BIRTH OF A LEGEND

- 1966 – The first unit leaves the production line
- 1968 – Wins Class A at legendary Bathurst 500
- 1969 – Japan's No. 1 selling model
- 1970 – Production reaches 1 million units

REDEFINING PERFORMANCE

- 1971 – Revealed for the first time in France at Paris Motor Show
- 1972 – The race-inspired Levin coupé and Sprinter Trueno variants are revealed.

CHANGING THE GAME

- 1983 – One of the most significant changes was introduced: the transverse engine and front-wheel drive configuration that provided tremendous space and cost savings
- 1987 – Featuring class-leading space and youthful design, it becomes the top-selling car in Japan and other parts of the world, once again

THE TOWERING ACHIEVER

- 1974 – The No. 1 produced car in the world
- 1976 – Production reached 5 million units
- 1975 – Toyota's first win in motorsport at the 1,000 Lakes Rally of Finland with Toyota Corolla

LEGEND FOR THE 80S

- 1979 – Styled for the decade, it led the way with its boxy-edged design
- 1983 – Production reached 10 million mark

REDEFINING THE CLASS

- 1987 – Turned the category on its head by offering new levels of features, quality, and luxury
- 1989 – Achieved highest average monthly sales of 100,000 units worldwide

A TRUE WINNER

- 1998 – Won the World Rally Championship rounds in Monte Carlo, Spain and New Zealand
- 1999 – Won the World Rally Championship's Manufacturer title and "Best Compact Car" by JD Power US

THE ICONIC BADGE

- 2000 and 2004 – Was awarded "Best Compact Car" by JD Power US
- 2003 – Awarded "Best Compact Car" by US AMES Award
- 2000 and 2006 – Awarded "Best Lower Medium Car" by JD Power Germany
- 2005 – The first automobile in history to reach sales of 30 million

AN ENGINEERING MARVEL

- 1991 – Became first in its class to offer high levels of features, quality, and luxury
- During this era, Toyota delivered to the drivers a car that comes with a 5-valve engine configuration that is rare, even in today's super sports cars

THE BEST OF 40 YEARS

- 2006 – Celebrated 40 years of proud moments
 - 2007 – Awarded a perfect 5-star Euro NCAP rating for automotive safety.
- It also saw improvements in all key areas of performance, fuel efficiency, safety, reliability and even emissions, achieving the goal of becoming a 'Happy Car for the Planet'

THE LEGEND REDEFINED: THE 11TH GENERATION (2013 – PRESENT)

- 2013 – Celebrated the title of the "World's Best-selling Car"
- 2013 – Production reached over 40 million
- 2016 – Celebrating 50 years of proud moments

FEEL THE ENJOYMENT OF THE DRIVE

Features that are intuitive to make your drive an enjoyable one

TOYOTA TELEMATICS SYSTEM STAY CONNECTED ON THE ROAD

Makes a smart and seamless connection between the Corolla Altis and the driver.

NANOE™ AUTO-CLIMATE AIRCON COOL & CLEAN AIR

Featuring a nanoe™ generator, the air-conditioning system cleans the air as it cools, suppressing allergens and odour.

AUTO RAIN-SENSING WIPERS* HANDS-FREE CONVENIENCE

Intelligent sensors detect rainfall on the windscreen and turn on the wipers automatically. The system even adjusts wiper speed according to weather conditions.

ELECTROCHROMIC MIRROR* VISIBLE SAFETY

Specially designed for night driving, the mirror automatically dims itself to cut off the glare from the high beams of rear traffic.

DRIVER POWER SEAT* ADDED COMFORT

The driver's seat can be adjusted easily with the touch of a button to enhance comfort for the driver.

ELECTRIC BOOT RELEASE EASY ACCESS & LOADING

Designed for your convenience, you can now access the boot effortlessly for your groceries, shopping purchases or even golf bags.

*For Elegance variant only.

FEEL THE DRIVE FOR EXCITEMENT

Performance engineered to impress

1.6L DUAL VVT-i VALVEMATIC ENGINE EXCITING YET EFFICIENT

With a fuel consumption of just 6.1l/100km, the new Dual VVT-i valvematic engine gives you a maximum power output of 128bhp and torque of 160 Nm to propel you to your destination.

7-SPEED SUPER CVT-i SEAMLESS SHIFTING

Super CVT-i adapts to your driving style to deliver a more engaging experience with smoother acceleration and superior efficiency. It also allows sequential shifting for a more spirited drive.

AERO STABILISING FINS HIGH-SPEED STABILITY

Positioned at the wing mirrors, rear lamps and lower rear spoiler, these help reduce drag at highway speeds.

ACOUSTIC GLASS* HUSHED INTERIOR

The 3-layered glass helps lower NVH (noise, vibration and harshness) levels, so unwanted wind noise and others sounds do not intrude into the cabin.

LIGHTWEIGHT SUSPENSION IMPROVED RIDE & HANDLING

Compact and weight-saving, the front and rear suspensions have been further optimised for the best balance of ride comfort and handling.

ECO MONITOR ECONOMICAL & ECO-FRIENDLY DRIVING

This indicator helps you to monitor your driving and gives you real-time updates so you can drive as economically and environmentally – friendly as possible.

*For Elegance variant only.

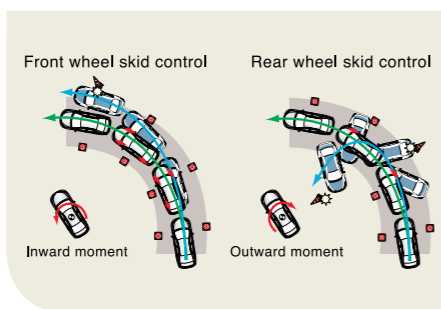

FEEL THE ASSURANCE TO POWER AHEAD

Safety to guarantee ultimate peace of mind

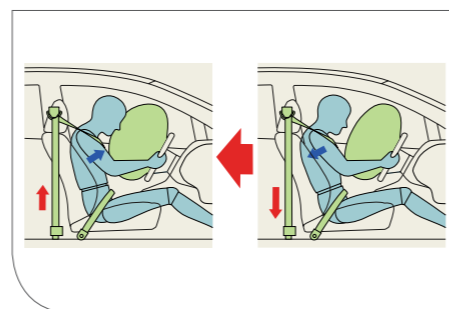

7 SRS AIRBAGS CUSHIONING IMPACT

More airbags for added protection in the unlikely event of a collision, for the driver and passengers.

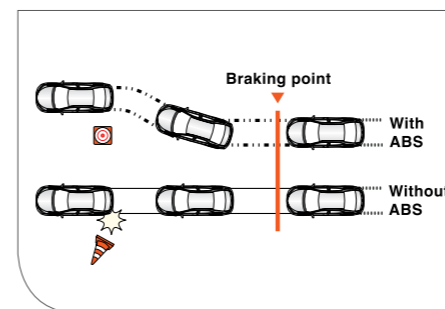

VEHICLE STABILITY CONTROL (VSC) SAFETY ALL AROUND

VSC ensures that when skidding is detected, the braking force of each wheel and engine output are automatically controlled to suppress skids and maintain vehicle stability.

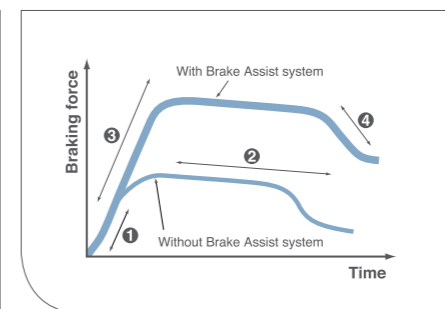

PRETENSIONER FORCE LIMITER IMPROVED BRAKING & CONTROL

Working in tandem with the seatbelts, the pretensioner enhances restraint performance during impact, while the force limiter ensures passengers are held in place with just the right amount of pressure.

ABS AND EBD IMPROVED BRAKING & CONTROL

The Anti-lock Braking System (ABS) prevents skidding when braking on wet and slippery surfaces, and Electronic Brake Distribution (EBD) ensures brake-force is distributed optimally between all wheels for effective braking.

BRAKE ASSIST SUPERIOR EMERGENCY BRAKING

To reduce stopping distance dramatically, Brake Assist generates more braking force.

CHILD RESTRAINT SYSTEM LITTLE FEATURE, BIG SAFETY

Complying with international safety standards, the ISO-Fix mounting points can secure up to two child seats at the rear.

DRIVING INNOVATION SO YOU CAN DRIVE BETTER.

Investing almost US\$9 billion a year, Toyota is the world's top R&D spender (averaging about US\$1 million an hour). A worthy investment towards creating ever-improving technology, sturdier rides and a Toyota that you can count on. All of which you'll find embodied in the Corolla Altis.

Equipped with an upgraded 1.6L Dual VVT-i valvematic engine for better power output and fuel efficiency, the new 2017 Toyota Corolla Altis also comes with vehicle stability control, and 7 SRS airbags to give you the assurance and excitement to power ahead, no matter the journey you're on. Our aim is help open the door to an all-new driving sensation with a peace of mind.

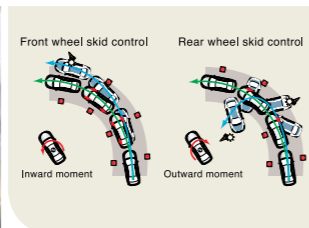

At Borneo Motors, we go beyond just delivering a great car. From quality control to aftersales service, we do all that we can so you can drive your Toyota better, safer and easier.
