**SORENTO** **GT LINE**

**TECHNOLOGY**  
Beyond Expectations

### Sorento GT Line Exclusive Features

#### Dynamax™ AWD Coupling

The intelligent Dynamax All-Wheel Drive (AWD) adds stability when rounding corners, and eliminates unintended over- and under-steer.

#### Paddle Shifters

Change gears without taking your hands off the wheel using the chrome-finished paddle shifters.

#### Red Brake Calipers

The Sorento GT Line features bright red brake calipers, visible between wheel spokes.

#### Seat Work-in System

A simple button to slide and recline the front passenger seat, and the driver can adjust it easily for the convenience of passengers in the second row.

#### LED Fog Lamps

The four-point LED fog lamp illuminates foggy stretches of road, with a long-lasting source of consistent, bright lighting.

#### Black Leather Upholstery

Black leather seats with grey stitching for a cabin with exceeding comfort and the feel of luxury.

## Standard Features

### Smart Parking Assist System (SPAS)

The SPAS steers the vehicle into place automatically, for both parallel and perpendicular parking.

### Ventilated front seats and driver's memory seat

Air blown through the front seats keep occupants cool, and the driver's seat can retain the preferred position of up to two users.

### Smart power tailgate with memory function

The tailgate opens when the smart key is detected nearby. With its memory function, your favourite opening angles can be stored.

### Panoramic sunroof

The dual-pane sunroof lets you enjoy the breeze and creates a spacious interior ambience.
