Crash Safety Rating**

First-in-class Features

Drive Mode Select (DMS)

DMS enables you to select Normal, Eco or Sport mode to suit the way you wish to drive depending on the road and weather conditions.

Driver and front passenger ventilated seats (GT Line)

A feature usually found only in premium cars, the ventilated front seats provide comfort in our tropical climate.

6-airbag system

Airbags are strategically placed ensuring maximum protection for you and your passengers.

Smart Power Tailgate (GT Line)

The rear tailgate automatically opens whenever the smart key is within the detection area.
