

New Caddy.

Highlights.

7-seater multi-purpose car (MPC)

The Caddy is the only car in its class to offer 7 full-sized seats. The Caddy Maxi has the flexibility of having up to 2,850-litres of luggage space with the seats folded.

Powerful TSI engine

Its 1.4-litre TSI engine with 125 PS and 220 Nm of torque is compact and fuel-efficient. Offering instant acceleration in any gear, overtaking is made safer and powering up hills is smoother than ever.

Sliding doors

Get a better view of what is behind your car so you can easily identify obstacles. Aids in parking and makes rearward maneuvers easier.

Removable seats and ISOFIX child seat mounting points

Free up even more space with the removable seats in the Caddy. Two of which boast ISOFIX fixtures that allow ISOFIX child seats to be easily mounted onto the Caddy, ensuring your little ones are always kept secure and comfortable.

Overhead storage compartment

Unique to the Caddy, the large overhead compartment maximises the high roof of the MPC to provide extra storage space.

Voice enhancer

Speak to passengers at the rear without having to raise your voice. The voice enhancer carries the driver's voice through the speakers, making it easier to be heard by those at the back.

Composition Media radio

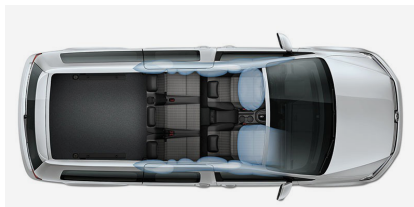

Featuring a 6.33-inch touch screen colour display with Bluetooth connectivity, the Composition Media System offers you control over all your music while providing excellent sound quality on its 6 speakers.

Rear view camera

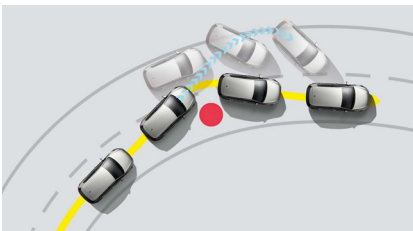

Get a better view of what is behind your car so you can easily identify obstacles. Aids in parking and makes rearward maneuvers easier.

Safety.

6 airbags

The Caddy features 6 airbags including front airbags, side airbags and a curtain airbag system that ensures maximum safety.

Electronic Stabilisation Programme (ESP)

The ESP detects critical situations at an early stage, and takes action to stop skidding by bringing your car safely back under control. ESP links to your car's electronic systems, such as the anti-lock braking system (ABS) and engine braking control (EBC).

Technical data.

Caddy		Caddy Maxi
