

Beetle Cabriolet.

Volkswagen

Highlights.

Automatic roof

Easily open and close the roof of the Beetle Cabriolet with a simple push of a button. Smooth, intuitive and fast, this system allows you to enjoy plentiful amounts of sunshine and fresh air whenever you want.

Bi-xenon headlights with LED daytime running lights.

15 LEDs frame the xenon module on the outer perimeters provide stronger illumination and give the Beetle Cabriolet a unique face.

18" alloy wheels

Stunning silver with black accent 'Twister' design alloy wheels provide a distinctive look on the already cool looking Beetle Cabriolet.

Sporty instrument cluster

Integrated into the centre dashboard are an oil temperature gauge, a clock with stopwatch function, and boost pressure gauge that provide all key information at a glance.

'Composition Media' radio

Featuring a touch screen display, access your music easily in various formats. Complete with AUX-IN and Bluetooth connectivity, take your favourite tunes with you wherever you go.

Rear view camera

For greater safety, Rear Assist enables you to spot any obstacles behind the vehicle quickly and easily, courtesy of a camera built into the tail of the Beetle Cabriolet.

Interior ambient lighting

Framing the interior trims of the doors and speaker grilles, the customisable ambient lighting (blue, red and white) creates a luxurious and stylish atmosphere that's just right for you.

Fender® sound system

Consisting of 9 speakers and 400 watts of power, the Fender® sound system provides an incredibly clear and powerful sound experience, for deep bass and detailed mid-range tones, regardless of the volume.

Safety.

Airbags

An advanced airbag system ensures that all occupants are well protected in an impact. The Beetle Cabriolet has dual front airbags, as well as combined head and side airbags, for maximum safety.

Electronic Stabilisation Programme (ESP)

The ESP detects critical situations at an early stage, and takes action to stop skidding by bringing your car safely back under control.
