

THE MINI COUNTRYMAN.

ROOM FOR INSPIRATION.

Let the exploration begin. Plan a camping getaway with the kids, or grab your buddies for a bike ride along the coast. Boasting a generous boot and a spacious interior designed for five, the MINI Countryman leaves you ample freedom to imagine your next great escape.

DRIVEN BY ADVENTURE.

Sporting a confidence that comes with its striking robust figure, the new MINI Countryman is built to take you wherever adventure calls. Be it in the urban jungle or the great outdoors, the all-round Sports Activity Vehicle is always in its element, ever-ready to handle any journey you throw its way.

OUT WILD, IN STYLE.

Strike out on new paths without leaving your distinctive style behind. On top of its new front grille and unique Union Jack rear lights, the MINI Countryman comes in eight different colours including two new finishes: Sage Green and White Silver. Athletic touches are further added by the ALL4 Exterior Optic Pack and Piano Black exterior trims for the MINI Cooper S Countryman, giving you more ways to reflect your adventurous side.

ESCAPE INTO LUXURY.

It doesn't hurt to surround yourself in sumptuous luxury before venturing off beyond your comfort zone. The elegant interior features electrically adjustable seats with memory function, swathed in top-grain leather like the new Chester Malt Brown. Other premium finishes, such as the optional MINI Yours Interior Style Shaded Silver cockpit fascia, exude an air of sophistication while injecting a dash of sporty flair.

FUTURE AT YOUR FINGERTIPS.

The Countryman's latest technology features will leave you wondering how you've travelled any other way. Taking centre stage is the new MINI Navigation System, which unites a host of smart services and Apple CarPlay

in a stunning 8.8-inch touch screen display. Now fully digital, the instrument cluster provides all the key information you need at a glance, while the wireless phone charging dock means no cables, no mess and no more worrying about battery life.
