

THE MINI JOHN COOPER WORKS  
CLUBMAN & COUNTRYMAN.

**THE FASTEST AND  
THE MOST POWERFUL  
MINI EVER.**

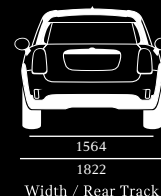

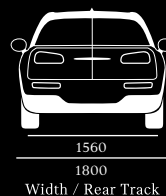

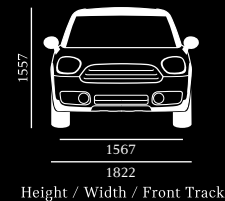

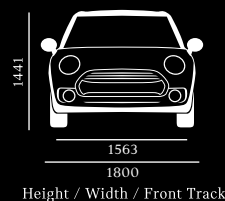

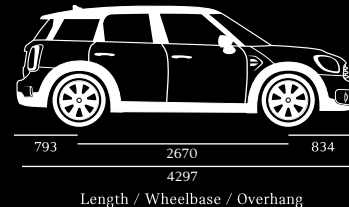

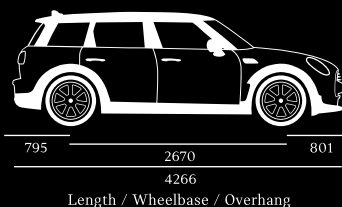

Equipped with a MINI TwinPower Turbo Engine with 306PS and 450Nm of torque, the MINI John Cooper Works Clubman can attain 0 to 100km/h in just 4.9 seconds. It is paired with an 8-Speed Automatic Sport Transmission that ensures optimal power. Get ready for the most responsive, sportiest drive ever.

## DIMENSIONS.

MINI John Cooper Works Clubman

MINI John Cooper Works Countryman

All figures in mm.

## THE SPIRIT OF RACING.

Your MINI bears the mark of its legendary racing heritage through and through, from the enlarged sports tailpipes to the red-coated brake calipers. It also features the John Cooper Works Aerodynamic Kit and John Cooper Works Sports Seats with Dinamica/Leather combination upholstery.

### OUTSTANDING AGILITY.

Installed with the ALL4 all-wheel drive system, both models flaunt optimised traction and agility as distribution of engine power is always channelled efficiently. The 8-Speed Automatic Sport Transmission also includes an integrated mechanical differential lock which improves manoeuvrability.

### BOOSTED STABILITY.

For improved steering stability and safety, your MINI features a tuned suspension and damping system, lowering your vehicle by 10 millimetres. An Adaptive Sports Suspension feature is also available for the MINI John Cooper Works Countryman, letting you switch between sporty and comfort modes to suit your driving style.

### INFORMATION AT A GLANCE.

Assisting your journey in non-intrusive style is the high-contrast Head-Up Display that pops up from your dashboard. It provides you a safe way to gauge your speed, access navigation details and even read up on the latest entertainment information without having to take your eyes off the road. Exclusive to John Cooper Works models, it also shows a John Cooper Works display with shift indicator.
