# SEAT Service

## Inspection & Maintenance

At SEAT Service, we offer comprehensive inspections by skilled professionals based on the age and mileage of your car. You'll be assured that your vehicle is in optimal condition, as our professionals perform all the services included in the SEAT Maintenance Programme - using only SEAT Genuine parts.

### The SEAT warranty

All new SEATS registered in Singapore comes with 2 years + 3 years (extended)/150,000 km factory warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects.

### Accident specialist

Highly qualified SEAT professionals specially trained to repair major accident damage to ensure your vehicle is perfectly repaired.

### Claim management

Our expert SEAT personnel at your side to take care of any and all insurance issues in case of accident damage. A car accident is stressful enough without the hassle of dealing with your insurance company.

### Repair quality certification

SEAT Accident Specialist garages with exclusive Repair Quality Certification, your assurance that the most expert professionals in our service network will repair major accident damage to your car.

### Car wash service

With every service or repair, your car's exterior is washed so you literally leave with your SEAT as good as new.

### SEAT customer care

At SEAT, our main aim is to satisfy our customers, offering them the best service at all times. Therefore, we offer you a telephone service which is at your disposal 24 hours a day, 365 days a year, to answer questions or solve any problems that our Authorised SEAT service aren't able to handle without having to wait.

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT Partner for the latest information. Due to limitations of the printing process, the colours reproduced in this brochure may vary slightly from the actual paint colours and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
