New Golf Variant.
Highlights.

Powerful TSI engine
Its 1.4-litre TSI engine with 125 PS and 200 Nm of torque is compact and fuel-efficient. With instant acceleration in any gear, overtaking is made safer and powering up hills is smoother than ever.

R-Line body styling
The R-Line exterior styling package includes sporty R-Line bumpers, a dedicated radiator grille, side sill extensions, a roof edge spoiler, a black gloss diffuser, LED headlights and 18-inch alloy wheels.

Active Info Display
A fully digital instrument cluster presents data and information about the vehicle directly in the cockpit via a 12.3-inch high-resolution display.

Panoramic sunroof
Open it up to get some fresh air in the cabin, or leave it closed and enjoy the extra light that streams in. A sliding sunshade keeps the interior of the Golf Variant cool, even on the hottest days.

Infotainment system with gesture control
Everything at your fingertips: the new Discover Pro infotainment system with its high-resolution 9.2-inch colour display features an extremely user-friendly interface and gesture control. What’s more, rear seat passengers can now control the audio and navigation information via the Volkswagen Media Control smartphone app.

App-Connect
Two innovative technologies allow you to integrate selected smartphone apps onto your infotainment system’s touchscreen: Android Auto™, and Apple CarPlay™.

Active Info Display
A fully digital instrument cluster presents data and information about the vehicle directly in the cockpit via a 12.3-inch high-resolution display.

Driving profile selection
The driving profile selector allows you to influence the drivetrain, steering and transmission of your Golf Variant. That way, you can tune it to your personal driving style.

Spacious luggage compartment
There is 605 litres of space available with all the seats in place, and this goes up to 1,620 litres with the rear seats folded down. 4 practical bag hooks are also available in the boot.

R-Line body styling
The R-Line exterior styling package includes sporty R-Line bumpers, a dedicated radiator grille, side sill extensions, a roof edge spoiler, a black gloss diffuser, LED headlights and 18-inch alloy wheels.

Infotainment system with gesture control
Everything at your fingertips: the new Discover Pro infotainment system with its high-resolution 9.2-inch colour display features an extremely user-friendly interface and gesture control. What’s more, rear seat passengers can now control the audio and navigation information via the Volkswagen Media Control smartphone app.

App-Connect
Two innovative technologies allow you to integrate selected smartphone apps onto your infotainment system’s touchscreen: Android Auto™, and Apple CarPlay™.

Safety.

Blind Spot Sensor with Rear Traffic Alert
As you drive, the Blind Spot Sensor with Rear Traffic Alert warns you, within the limits of the system, about vehicles in your blind spot.

Proactive occupant protection system
The system reacts just before an impending collision by priming the seat belts and brakes, as well as automatically closing the side windows and sunroof.
## Technical data.

### Engine

<table>
<thead>
