Top speed (km/h)	250 km/h
Kerb weight (kg)	1,570 kg
Fuel consumption (l/100km)	7.2
VES band	C1

### Mercedes-AMG A 35 4MATIC Saloon - Instant Freedom

The sporty new interpretation of the classic 3-box design gives the new Mercedes-AMG A 35 4MATIC saloon a dynamic elegance. The AMG-specific radiator grille and large air intakes radiate extreme sportiness and demonstrate the point: AMG DNA lies within. It appeals to young target groups who are looking for a high level of performance and a comfortable amount of space for passengers and luggage.

### AMG Performance 4MATIC: More agility with high stability

Even faster responding electromechanical multiple-disc clutch for fully variable power distribution, excellent traction when accelerating out of curves. The specification of the all-wheel drive control depends on the selected ESP® mode: comfort-oriented with ESP® on and sporty and dynamic with ESP® Sport and ESP® off.

The following parameters determine the control of the all-wheel drive: steering angle, accelerator pedal position, wheel speeds, longitudinal and lateral acceleration, gear and road speed.

Dated 17 Jun 2020

**Mercedes-AMG A 35 4MATIC Saloon Exterior Highlights**

- AMG-specific radiator grille with twin louvres & AMG lettering
