\*On indent basis

Burning Red Pearl Metallic  
x Super Black Pearl  
(D7Z)

Speedy Blue Metallic  
x Super Black Pearl  
(C7R)

Flame Orange Pearl Metallic  
x Super Black Pearl  
(CFK)

## 2. EXPLORE THE SPORT

It's time to take the training wheels off—both inside and out. The Swift Sport's distinctive exterior—featuring a striking new front grille, dual exhaust pipes and more—is complimented by a sporty, driver-focused interior, highlighted by the D-shaped steering wheel, stainless steel sport pedals and other great features. In other words, ultimate sportiness from every angle.

A striking front grille and bumper

Sporty and bold front face

Dual exhaust pipes

Finely crafted 17" alloy wheels

D-shaped steering wheel and stainless steel sport pedals

Redesigned meter cluster and 4.2" colour display

Bluetooth connectivity with Apple CarPlay® and Android Auto™

Exclusive semi-bucket seats with embossed "Sport" logo

Sporty, red-accented driver-centric cabin

### 3. EXPERIENCE THE SPORT

#### **A POWERFUL 1.4L BOOSTERJET ENGINE**

It's time to go turbo. The 1.4L direct-injection BOOSTERJET engine delivers greater torque and power—resulting in instant response and impressive performance on every drive.

**PERFORMANCE**

#### **THE ALL-NEW HEARTECT PLATFORM AND IMPROVED SUSPENSION**

Built on the HEARTECT platform, the light and highly rigid base delivers lower fuel consumption, improved collision safety, and heightened handling, optimising every component for greater driving comfort. Combined with the improved support of the MacPherson Strut Front Suspension and Torsion Beam Rear Suspension, you can take on every corner with confidence and smooth stability.

## ELECTRIFYING EFFICIENCY—48V SHVS\* MILD HYBRID SYSTEM

Excitement, made efficient. The all-new self-charging mild hybrid system delivers greater fuel savings while contributing to engine torque. The 48V integrated starter generator and 48V lithium-ion battery support the turbo engine with the unique torque-fill control and torque boost functions—aiding acceleration and elevating the Swift Sport experience while reducing emissions and increasing fuel efficiency.
