

The new Golf GTI

Model specification

Crafted for thrills, driven by legacy

The new Golf GTI is a pioneer in every sense. Precision-engineered for the ultimate thrill, its unmistakable GTI DNA is powered by a TSI 4-cylinder turbocharged engine, taking you from 0 to 100 in just 5.9 seconds. This isn't just a hot hatch; it's a legacy on wheels.

Key Highlights

See and be seen

Turn heads at every corner with the bold LED Matrix headlamps, featuring Dynamic Light Assist for effortless high-beam control. From the rear, the 3D LED rear combination tail lights with dynamic turn signals highlight the Golf GTI's striking design.

Feel every beat

Experience a symphony of sound with velvety harmonies and deep, heart-thumping bass, powered by the 8+1 Harman Kardon sound system and subwoofer.

Focused driving

The Golf GTI's Digital Cockpit Pro with Windshield Head-Up Display projects key information, like speed limits, directly and clearly to your line of sight.

Choose your adrenaline

Whether you crave sporty precision or a more comfort-focused drive, Dynamic Chassis Control lets you choose from profiles like Comfort, Sport, or Individual, tailored to every driving situation.

Smart IDA Voice Assistant

Conveniently control your radio, phone, music, air conditioning, and navigation with commands like "I'm cold" or "Find Japanese restaurants nearby".

Unleash the clear blue sky

Simply press a button and the black-tinted sunroof tilts and slides away to reveal a panoramic view, letting in the perfect balance of sunlight and open sky.

Signature Look

Unmistakably sporty

The striking red line and distinctive "GTI" body-coloured bumpers in honeycomb design are the undeniable trademark of the GTI.

The mark of true performance

Bold GTI badging emblazoned on the front grille, door panels, and rear is an unmistakable mark of a true GTI.

A bright statement

The illuminated Volkswagen front logo on the Golf GTI is a sleek touch of sophistication that lights up the road, adding a distinctive flair to its bold front design.

Performance

Power and torque

2.0 TSI, 4-cylinder engine with direct petrol injection and turbocharger that churns out 265 PS (5,250 - 6,500 rpm) and 370 Nm (1,600 - 4,500 rpm) of torque, coupled with 7-speed dual-clutch automatic gearbox (DSG) for lightning-quick shifts.

High-speed thrills

With a 0-100 km/h time of just 5.9 seconds, the GTI delivers impressive off-the-line acceleration that puts a smile on your face time after time. Explore the limits on a racetrack to discover its 250 km/h top speed.

Handling and precision

Maximum agility comes through specially tuned sports suspension and dynamic steering that increases response with steering angle. Take on corners with absolute confidence in handling and precision in steering.

Comfort and control

Adaptable to every situation, Dynamic Chassis Control (DCC) will adjust the suspension based on the drive mode you select. Soak up miles in total comfort with softer damping for more compliance, or take on curves with enthusiasm with stiffer damping for more support.

Traction unlocked

With the brake-based electronic locking differential (XDS) you'll get better traction coming out of corners as the system automatically applies mild brake pressure to keep both front wheels supplied with outstanding torque.

Interior comfort and convenience

Luxurious embrace

Premium front sports seats deliver ultimate comfort with adjustable lumbar support and headrests. Luxurious "Vienna" leather inserts in the front and outer rear seats completes the interior in style.

Mood on the move

Create the perfect atmosphere with up to 30 ambient lighting colours, from a soothing glow to vibrant hues. Customise the LED lights in the front footwell to match your mood.

Shift into thrill

Conquer the road precisely with a leather-wrapped, multi-function steering wheel with gear shifting paddles and brushed stainless steel pedals for an adrenaline-pumping, sporty drive.

Cool with no pressure

No matter the pace, stay cool and in control with 3-zone Air Care Climatronic with advanced air and allergen filters, automatic climate control, and rear passenger control.

KESSY Keyless Access

Unlock endless thrills with just a touch. Proximity-based locking and ignition let you enter and power up your hot hatch effortlessly.

Power up your drive

Stay charged with the wireless charging pad featuring active cooling, Apple CarPlay, Android Auto, 2 USB-C ports in front, 2 USB-C charging sockets in rear, and charging capacity up to 45 W.

Enhanced Safety

Proactive Passenger Protection System

Actively analyses the situation ahead allows for early precautions such as tightening the seatbelts and triggering the hazard lights.

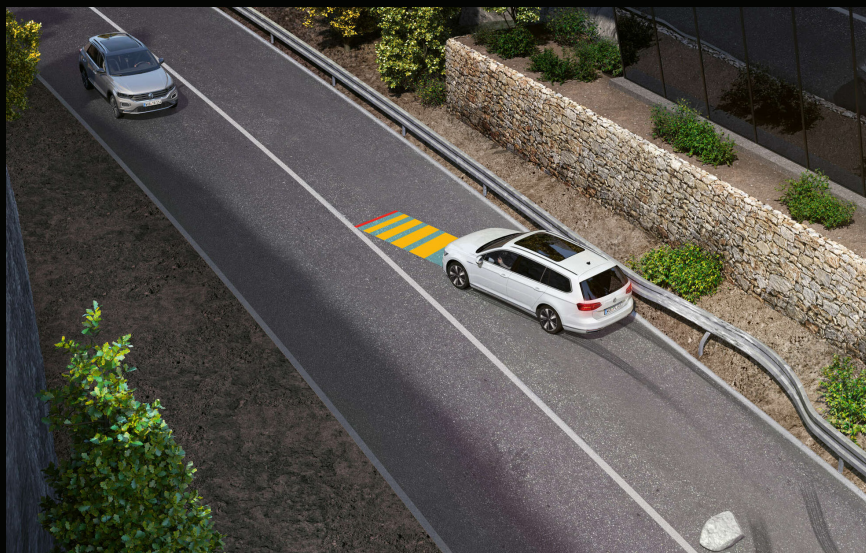

Advanced Driver Attention and Drowsiness Monitor

Monitors your driving and alerts you if it seems as though you're dozing off, so you know when to stop.

Multi-collision Brake System

Mitigate secondary collisions with smart braking technology that activates after a crash, reducing speed and activating hazard lights for visibility.

IQ.DRIVE

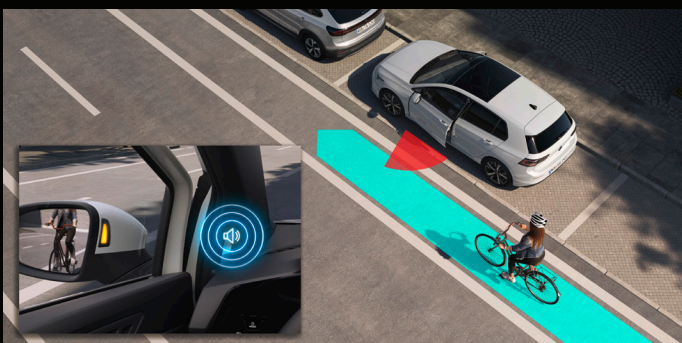

Adaptive Cruise Control

Stay sharp with sensors that adjust speed and distance to the vehicle ahead and course for a carefree journey.

Travel Assist

Navigate tricky bends with adaptive driving, using predictive cruise control and cornering assist based on road conditions.

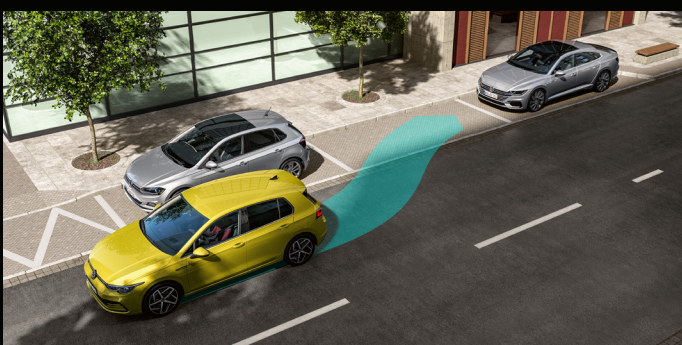

Side Assist with Rear Traffic Alert and Exit Warning System

Alerts for blind spots, oncoming vehicles when reversing with automatic braking to help prevent collisions, and approaching vehicles when exiting your Volkswagen.

Front Assist with City Emergency Braking

Proven collision detection alerts you to close passes, automatically slowing or braking to prevent collisions.

Park Assist Plus with Park Distance Control

Relax and oversee as your Volkswagen handles parking with sensors that control acceleration, braking and steering. Receive visual and acoustic alerts about obstacles and enjoy manoeuvre braking to help prevent collisions at speeds up to 10 km/h.
