

Movement that inspires.

At Kia, we believe movement inspires ideas. Great ideas come to you when you're on the move. Whether you're walking, traveling on a train or driving. It's why we create the spaces and the time you need to bring ideas to life.

The all-new Sonet

Big on personality.

Along with its tough and dynamic appearance, the all-new Kia Sonet offers some truly refreshing combinations: Ruggedness and refinement. Roominess and fuel economy. Simple controls and forward-thinking technology. Compact size and endless possibilities.

Charisma to spare.

To match its go-anywhere capabilities, the all-new Kia Sonet features sporty SUV contours and trim elements, along with a versatile rear hatch that makes traveling and running errands a breeze. It's the perfect combination of fun and functionality.

Full LED headlamps with LED DRLs
The alluring shape of the Sonet's front grill and light housings is inspired by the eyes and nose of a tiger.

LED rear lamps
Heartbeat-pattern LED tail lamps are both stylish and functional.

C-pillars
The sturdy C-pillars behind the rear doors feature sporty trim accents that highlight the shapes of the tailgate and rear side windows.

Diamond-cut 16-inch alloy wheels
Alloy wheels with smooth, angled silver spoke elements give the impression of motion, even when standing still.

High-tech meets low-stress.

View the road from a commanding height, with sufficient comfort and technology to keep your mind at ease. The refined Kia Sonet gives everyone plenty of room to stretch, and offers convenient new connectivity to help you stay informed and entertained.

Engaged and focused.

The technology at your fingertips is designed to encourage attentive driving habits. The extensive audio system features, for example, can be operated with just a few taps on the large touchscreen or steering-wheel controls. Wireless charging means that your mobile devices stay close by, but out of mind.

8" Touchscreen infotainment system with Apple CarPlay and Android Auto Connectivity

In addition to its easy touch controls for the audio system, the 8-inch TFT-LCD audio display can show the screen image of a paired, compatible mobile phone by wireless phone projection using the Android Auto and Apple Carplay apps.

Rear View Monitor (RVM)

When the transmission is in reverse, the 8-inch audio display shows the area behind the Sonet, with parking guidelines superimposed on the video image.

Wireless smartphone charger

Charge a compatible mobile phone wirelessly on the cooled pad at the front of the center console.

4.2" TFT LCD instrument cluster

A full-color instrument cluster keeps you abreast of what's going on under the hood.

Drive and traction mode select

On automatic models, the supervision cluster displays the status of the drive mode and traction control systems.

1.5 MPI
Maximum power (ps/rpm): 115 / 6,300
Maximum torque (Nm/rpm): 144 / 4,500

Precision-enhanced simplicity.

A well-matched drivetrain offers reliable and invigorating performance and handling around town. Safety and performance are integrated better than ever before thanks to computational power and a new platform design.

Parking Distance Warning (PDW)

With ultrasonic sensors mounted on the front and rear bumpers, PDW warns of any obstacles when you maneuver into tight spaces.

Hill-start Assist Control (HAC)

When you are stopped on an incline, HAC momentarily holds the brake as you move your foot to the accelerator, so you can make a safe, smooth start.

Tire Pressure Monitoring System (TPMS)

If a tire's pressure drops below a defined level, a warning on the supervision cluster shows you which tire is affected.

CVT transmission

The CVT automatically matches the effective ratios to engine and driving conditions.

Quality time, all the time.

Everyone can ride comfortably on long trips thanks to plenty of front and rear seat headroom and legroom. The seats are firm and comfortable, while cupholders, USB outlets, and storage areas are well within reach of every occupant.

Black One-tone Interior

Black leather

Gear up for adventure.

Maybe you're setting off on your own expedition, or maybe you just like to look prepared for one. The Sonet is available with exterior and interior options and accessories for motorists who are ready to explore the back roads or city boulevards.

Radiator grill / Front bumper and skid plate

Cycle & Carriage Aftersales Service keeps your car in its prime.

We care for you the same way we care for our family. Experience the Cycle & Carriage Kia Service spirit as we welcome you at our Kia Authorised Service Centres.

With more than a century in the automotive industry, we can assure you that you will enjoy the most comprehensive customer support and exceptional service experience by well-trained professionals, using state-of-the-art technologies, diagnostic tools and genuine parts to keep your Kia vehicle running in peak condition. All Kia genuine parts come with 2 years or 40,000km (whichever comes first) warranty.

This is our commitment to you.

Industry-leading warranty.

We are confident of the quality and durability of every Kia vehicle, having undergone stringent pre-delivery processes and checks before being delivered in pristine condition. We are so confident that your new Kia car will enjoy a 5-year unlimited mileage warranty and a 10-year engine warranty.

From the date of registration, your new Kia car is covered against defects in materials and workmanship for a period of 5 years of factory unlimited mileage.

On top of that, starting from 1 June 2014, your Kia car will come with a 10-year engine warranty, subject to a maximum mileage of 200,000km or 10 years, whichever is earlier. This engine warranty from Cycle & Carriage will take effect immediately after the expiry of the manufacturer's.
